## International, National and Local Public Notice

Addressing the lies spread by the following individuals and co-conspirators:

Jay VonSpreck, Allan Clinton Poe, Molly Marie Heckard, Howard Fredrick Walker III, John Harold Fulks, Jason Marinaro, Paula Sullivan, Sheilla Rae Van Dusseldorp, Victoria DeMasi, Clova Dayton Westfall III, Ishmael Jose Ortega Jr. and Christine Millhouse Westfall (hereinafter, "Respondents")

**The people who have signed this document object to the following claims by Respondents and want to set the record straight.**

Respondents claimed that Howard Fredrick Walker III (hereinafter: "Howard's or "Howard") removal from office was due to his inquiring about auditing the Treasury for the Government of The United States of America, which is false. The truth is Howard was audited because of self-claimed Private Transactions for Junk Silver with fraudulent currency printed by Howard. After a weeklong audit of Ledger Books and Transactions. The finding indicated that Howard had been printing currency at his own free will and without record. There is speculation that Howard simply wanted to make back door deals. Howard had also not kept accurate records of orders, and donations had vanished. Howard has never rebutted the claims properly, and continuously lied every time Howard was confronted. Howard completely stopped showing up to the National assembly all together.

Further, respondents claimed that Dan Sullivan and Paula Sullivan (hereinafter: "Dan" or "Paula") Dan and Paula removal from offices, was due to Dans involvement in the Audit. Dan had done an excellent job being an auditor as well as a witness to the entire audit process of Howards records. Dan resigned due to an inquiry of someone creating a subversive situation involving Dan and questions regarding the Cryptocurrency Exchange. Due to Dan not wanting to answer the questions, he decided to resign. The acceptance of Dans resignation happened without hesitation. Dan has also stolen 106 million dollars' worth

of assets from the Treasury and hijacked the Governments Cryptocurrency Exchange. There have been multiple requests for the return of these assets by General Post Masters, they have received no response. Dan worked on the Cryptocurrency Exchange in the capacity as a General Post Master for the General Post Office for the Government of The United States of America. Dan received payment every day for working in that office.

As far as balances go from the previous Treasurer for the office of Treasury for the Government of The United States of America, all transactions debits and credits are documented on the official record within the Continental Public Bank or the National assembly recordings, which Howard had access to for years.

As far as balances go for the current Treasurer for the office of Treasury for the Government of The United States of America, all transactions debits and credits are documented on the official record within the Continental Public Bank or the National assembly recordings which Howard had access to prior to his removal.

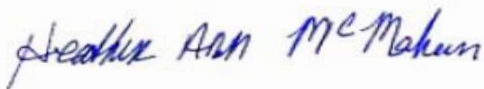

Addressing the False Claims of sacrilege, that the Treasury with the Continental Public Bank are backed by INCUN. 1454.b5. Incunabula which means the “beginning”, which is Genesis. It is pure ignorance to think that the Gutenberg Bible is the only form of documentation of Genesis. This claim of sacrilege is a prejudice against the people for having a belief. These are Human Rights Violations. Respondents do not understand the Chain of Title or Translation between different books of Scripture. When Respondents cannot understand something, they try to destroy it. We will not cast pearls before swine, so there is nothing more to say to the Respondents. Your claims are rebuked now and forever.

Signed on this 200<sup>th</sup> day in the year of Yahweh, six thousand and twenty-four, and the 5<sup>th</sup> day of October, two thousand and twenty second year of the new covenant in Yahushua’s name,
