This is theft, forced political association, with forced religion and the intent to murder, and
14. Affiant states that the Southern Poverty Law Center has attempted to label American Nationals as Sovereign Citizens. Labeling a person with this term is considered having the intent to murder, as Sovereign Citizens are seen as a threat to the Communist system. property held within association of others, on behalf of the beneficiaries. When political and spiritual lines are **CROSSED** where consent has **NOT** been given to the body politic by the person who resides within a separate sphere, it is a trespass, communism, forced association, trafficking in Persons, attempts of slavery, violations of all of Public Laws-101 formerly classified as all 30 Articles of the Declaration of Human rights, persecution of a member of the North American National Party, and failure to uphold the two commands given to us within the New Covenant, and
