FYI: this is for everyone that is new around here. PATIENCE goes a long way. When people start demanding that is when it slows things up for themselves, it makes it so people don't want to help them.

FYI: Sometimes a link is only good for 1 use. It is depending on how it is set up by the owner. It will expire after 1 use or a period of time. The other thing is if people use an APP from any app store they are highly censored. That is why people should download the APK file straight from Telegram site. Jacob is using the web browser app that is why it takes him to YouTube. That is why people need to have the APK not any of the apps from the app stores.

SW Hope this helps with anything in the future. edited 6:25 PM

Jacob Engberson  
maybe i am. i was never good at passive agressive conversations. i thought it said in the word that if you call a man a fool youve already committed murder. i dont have hate in my heart i domnt operate in false humilty and covert pride. i try to love people until they are unwilling to recieve. ive heard lots of stories a pack of hyenias...im a nobody. a dummy ironwoker, if you will. ive heard it all. im ok with that. but you two already know that right? thats why the hyeinas are circling. preying on the so-called weak?? im not first to be a target of this gang, doubt ill be the last. just know that those whop choose to ccome up agaist me will be dealt with by my father in heaven. you really dont know me and thats not your fault. but now you have been public noticed. id stop while you still have a chance. the deal is. i dont act on the people who attack me and i get to eat popcorn with a front row seat while they learn about basci spiritual laws, like reaping and sowing. and it seems like you guys got a pretty big harvest coming. 7:34 PM
