1. On (November 3rd, 2022) Respondent Jay Von Spreck et al (hereinafter “Respondents”) posted the following verbiage on a fake War Crimes Tribunal website thereby using stolen seals (copyright violations) and placed links to the real War Crimes Tribunal website to make it appear as if the fake War Crimes Tribunal was the same as the real one;
2. Respondents do not have the authority to issue or publish an International-National-State-County Public Notice nor declare any form of a National Security Threat Notice or State of Emergency wherein none of the respondents hold any office within The United States of America nor within the United States.

Beginning of respondents claims:

INTERNATIONAL-NATIONAL-STATE-COUNTY PUBLIC NOTICE

CEASE AND DESIST

Notice to Agents is Notice to Principals, Notice to Principals is Notice to Agents.

National Security Threat-State of Emergency

WHEREAS an Investigation of a coup d’état was ordered on September 1, 2022, by the Continental Army Joint Chiefs of Staff, president/Governor, Howard Fredrick Walker III, for the Government for The United States of America, a Republic, under the Articles of Confederation 1781 as amended 2015, and

1. The affiant states that Howard Frederick Walker III did not have any authority to sign any order without National assembly approval under the Articles of Confederation 1781 as amended 2015 nor did Howard Frederick Walker III hold the office of Joint Chiefs of Staff.
2. WHEREAS the Continental Army was ordered to Investigate and neutralize a communist cult takeover and to restore a Republic form of government. The following office holders for the Government of The United States of America are involved in an ongoing conspiracy to overthrow the Republic and institute communism within the metes and bounds and seaward boundaries of The United States of America, and

The affiant states that all of the signatories listed below cannot overthrow themselves in anyway so a conspiracy cannot exist and those same people passed the Communist Expulsion Act of 2019 to make sure communism never existed within The United States of America.

<https://continentalfreepress.com/2019/11/21/introducing-the-communist-expulsion-act-of-2019-2/>

WHEREAS The following conspirators within the Government are involved in usurping the office of the president in a conspiracy to overthrow the Republic; Keith Edward Livingway, Thomas Goudy, Trent Windsley Sailor, Kevin Lloyd Lakes, Jennifer Lyn Runov, AKA Jennifer Lyn Ryalls, Brandon Alan Anderson, Jenna Lee Anderson, William James Wright V, Naomi Ruth Spears, Saundra Scott, Heather Ann McMahan, Derek William Davidson, Graham Lasyzk, William Reffett, Christopher Michael Dougherty, Jeremy Christopher MacDonald, Jackie Goudy Johnson, Gregory Johnson, Michaelene Jo Formanack, Elisabeth Chalaca Odou, and

The affiant states that Howard Frederick Walker III was involved in stealing from the Treasury of the Government of The United States of America, stealing donations to print the National currency, and using the office of the president for The United States of America to manipulate a person into giving silver to Howard Frederick Walker III personally and further faked a receipt for the whole transaction. Further, Howard Frederick Walker III was using the office of the president of The United States of America to fight the city of Johnstown where everyone Howard Frederick Walker III did not like was accused of war crimes to intimidate the city workers into not trying to collect a bill from Howard Frederick Walker III. There were no conspirators anywhere overthrowing anything.

WHEREAS, Keith Edward Livingway (known communist cult leader of the coup d'état) is a fugitive at large and has outstanding warrants for his arrest in Shelby County, Kentucky, and

The affiant states that the affiant is not a fugitive at large, is not a communist, not a cult leader and there was no coup d'etat and does not have outstanding warrants.

WHEREAS, Keith Edward Livingway has claimed Power of Attorney over reign of the heavens Society Temple members "Reign Citizens" LINK and speaks/communicates with God/Yahweh on their behalf as the "High Priest;" he also claims Power of Attorney over God/Yahweh. Livingway, who owns an intricate maze of ecclesiastical trusts used to commit fraud against his

victims with sophisticated elaborate white-collar schemes, when challenged uses threats, intimidation, blackmail, extortion, paper terrorism, cyber stalking, and accusations of religious persecution to protect his racketeering scheme. Further, in his position of Postmaster General, he encourages subordinates to act similarly to enact retribution for perceived affronts; he compels fraudulent affidavits and contrived allegories to garner favor within his sphere of influence, and

The affiant states that no power of attorney has ever been claimed over any Reign Citizen because the Reign Citizens belong to Yeshua/Jesus directly. The affiant does not speak to God/Yahweh directly and only through Yeshua/Jesus when praying and does not speak on any ones behalf when in prayer. The only one that speaks on behalf of anyone to God/Yahweh would be Yeshua/Jesus and to accuse anyone of this type of crime is classified as a Hate Crime. The affiant has never claimed power of attorney over God/Yahweh. No such document has ever been signed nor declared.

The affiant states that the affiant does not own any ecclesiastical trusts and therefore the rest of the claims by the respondents are a fabrication of the respondent's imagination.

The affiant states that the affiant does not read affidavits until written and published and have said many times that the affiant cannot influence affidavits.

WHEREAS communism has been banned from The United States of America and the United States under the Communist Control Act 1954, LINK, (68 Stat. 775, 50 U.S.C. 841-844), and

The affiant states that the Communist Expulsion Act of 2019 was written by the affiant.

WHEREAS the conspirators have been previously classified as "sovereign citizens" LINK, and have claimed sovereignty and supreme authority over The United States of America using an map overlay LINK that includes the "Independent States"(a reclassification of the organic States) metes and bounds found within repositories and libraries containing the organic Constitutions of the States, which he claims to hold in trust for the Republic using the Articles of Confederation brought forward to 2015. The conspirators believe the United States and the Supreme Court and its law enforcement agencies have no authority or jurisdiction over their sovereign power, and

The affiant has never been classified as a sovereign citizen that the affiant knows of because an affidavit of attempted murder would have been written and signed by the affiant. The respondents cannot begin to tell others what the affiant believes or does not believe. The aforementioned accusation does not make any sense mainly because the whole paragraph does not make any sense. The affiant states that the respondents were in the middle of forming a full army to take down the beast known to the respondents as the United States and now try to change their tune when caught forming said Army.

WHEREAS the conspirators have used extortion, intimidation, and threats to seize control over personal property intended to be used for an Embassy located at 18 Harding Street, Johnstown, State of Pennsylvania, and

The affiant states that Howard Frederick Walker III and his wife voluntarily went to the bank twice over a two day period to sign a quit claim deed. If there were any coercion there would have been plenty of opportunities to warn the bank employees of the so-called intimidation, threats to seize control over or extortion of anything.

BE IT ORDERED the conspirators are hereby ordered to cease and desist all illegal takeover activity, fraud, sedition, treason, and attempted subversion over The United States of America, a Republic, and

The affiant does not recognize any order coming from the respondents.

BE IT ORDERED to CEASE and DESIST! The honorable men and woman serving to defend the Republic object to the lies, trafficking, theft of time and energy, slavery, death threats, slander, defamation, and character assassinations, made by the conspirators, and

The affiant does not recognize any order coming from the respondents.

WHEREAS the conspirators are skilled in linguistics and double speak and follow the Marxist ideology, of accusing your advisory of what you yourself are guilty of, also known as projection, and

The affiant states that the respondents claim the affiant is skilled in linguistics and a Marxists is because the respondents are not that smart and claim stupid when they are caught trying to steal claims.

BE IT ORDERED all affidavits submitted by the conspirators during the ongoing investigation are rendered null and void.

The affiant states that no one can null and void affidavits and that so-called order is very clear as to what is really going on against the Government of The United States of America and the Continental Army.

Continental Army

Commander VonSpreck

The affiant states that there is no Commander Von Spreck in existence and Jay Von Spreck has never been in any other Military in his life. Respondent is a poser want to be soldier.

The Respondents shall have Ten (10) days from the international, national, and county publication to give rebuttal to the claims stated within this Affidavit or these claims shall further stand as fact.
